Treasurer’s Cup: Same as Richard Parker Cup but for Juniors.

Generations Cup: Awarded to any PAIR of archers from the same family, of 2 different generations. BOTH rounds must have been shot by both archers.

Family Pair: Awarded to any family pair, including those eligible for generations cup, but who ranked 4th or higher.

Jack and Jill Cups: Any ‘couple’ (married or otherwise), again having both shot both rounds.

Novice Prize: Best overall Novice, having shot both rounds.

COVID Specific Adaptations

It will be no surprise that we need to adapt our usual Club Championships routine to allow for covid-19. Specifically we will follow these guidelines during the day:

- 1) A MAXIMUM of 30 PEOPLE, including supervising parents, can attend at any point during the day. ALL attendees should register online before arriving. Parents may wish to leave their juniors to shoot under the supervision of the club chairman to enable more archers to shoot, although ONE parent may accompany their junior if preferred. Both options are bookable online.
- 2) Bookings will be on a first come-first served basis using the club website.
- 3) All archers and parents clean hands using alcohol rub on arrival, through the day, and prior to departure.
- 4) Social distancing of 2m: should take place at all times, unless archers are in the same family group.
- 5) There will be NO catering.
- 6) Use of the toilet facilities should be minimized as far as is reasonably and comfortably possible. Hand sanitizer is provided by HLRA on entrance to the pavilion.
- 7) Archers arrive at times stated, unless already identified as part of the field team.
- 8) Field team set-up/clear away with appropriate PPE, sanitization, equipment cleaning, as per risk assessment HB RA CV19-CC
- 9) Shooting lines:
 - a) CLOUT: 1m marks allow 2m spacing on shooting line. 2 Details may be needed. Archers stand with bows, spaced appropriately apart.
 - b) CLOUT: 1 target captain with flag; 1 'judge' to call line cutters. ALL other archers remain spaced around clout circle
 - c) TARGET: 2 archers per target box, spaced at 2.5 m intervals (boxes are 5m wide). 2 Details....only 1 archer per boss shooting at a time.
 - d) TARGET: Archers remain distanced whilst walking to boss. Archers call arrows verbally and score ELECTRONICALLY on a device. Final scores sent by email to competition organizer. Arrows are pulled one archer at a time, maintaining social distancing. Archers only pull their own arrows.
- 10) TARGET FACES will be provided and should be placed on bosses by ONE of the two archers shooting on the boss, using their own target pins (previously provided) or from club (which they then keep). On conclusion the same archer removes the target face and takes it with them at the end of the day.
- 11) SCORING: All scoring should be done electronically and emailed to the Competition organizer. No paper score sheets will be provided. Archers may record scores for second (or more) archers on their devices. A photo of a paper score sheet would be acceptable, but archers provide their own score sheets.
- 12) AWARDS CEREMONY: will NOT take place on the day. Archers will be notified of results by competition organizer, hopefully within a day of the event.

Further guidelines may be issued or announced on the day as appropriate. If anyone has any concerns about attending and wishes to discuss them then please do contact me.
